Introduction to the Voter Guide

This Guide is brought to you by Advocates for Bradley County in partnership with Church Voter Guides.

Church Voter Guides is an independent 501(c)(3) faith-based nonprofit organization. We serve the public by providing objective research and education on matters specifically of interest to Christians, primarily through the production and distribution of 501 (c)(3)-compliant, nonpartisan voter guides.

Church Voter Guides does not endorse or oppose any candidates for public office or any political party.

Church Voter Guides, a Tennessee nonprofit, initially started in Colorado Springs in April of 2021. This new Voter Guide for the 2026 Democrat Primary is being distributed electronically only, both through our interactive website and by downloadable and printable PDF files. We have produced one Voter Guide for each seat that is: (1) conducting a contested election this year, and (2) for which at least one candidate in that election answered our Questionnaire. Our Voter Guides are being promoted through a wide-ranging network of area churches, faith-based non-profit organizations, mainstream and social media, and other means.

The purpose of our Voter Guides is to educate and inform voters of each candidate's positions on a variety of policy issues that they are likely to address if elected. As a Voter Guide designed to be distributed through Churches, we ask the candidates questions on topics that are of utmost interest to the Christian voter

How to Get the Most Benefit from this Voter Guide

The core information in this Voter Guide comes directly from the County Primary Elections candidates themselves. We asked them questions, they answered (with a 120 word limit), and we have published their responses here. In order to understand and utilize this information to the fullest, so that you may vote in the most informed way, we suggest the following:

1. Pray and ask the Almighty for discernment. The Kingdom of God is all about truth, while politics is a system fraught with compromise. Make sure you consider the candidates' answers with a Heavenly mindset.
2. Ask yourself, "Did the candidate actually answer the question, or rather side-step it, or give a fluff, wishy-washy, and/or 'political' type answer that leaves you not really knowing where he/she truly stands on the issue?"
3. Learn more about the candidates running for All Democrat Candidates including their positions on issues we did not cover in our questionnaire, by visiting their official campaign websites (if they have one.) The website URL for each candidate is listed in the Voter Guide.
4. Educate yourself more about the Christian/Biblical perspective regarding many of the subjects covered in our Voter Guide.
5. Use search engines to find additional information about each candidate, including written articles and videos, other voter guides, and even voting records for those who have served in public office before. You may even want to watch online recordings of the local All Democrat Candidates meetings to see how incumbents conduct themselves and vote.
6. Reach out to the candidates themselves through the provided email addresses and other means, in order to ask them questions of personal importance to you. Please make sure to show great respect toward each candidate and his/her time, especially to those with whom you disagree. Running for office is hard, stressful, time consuming work, and these are your fellow citizens who have lives, families, jobs...and feelings (just like you!)

What makes a Voter Guide 501(c)(3) - Compliant and Nonpartisan?

Federal tax law permits nonprofit 501(c)(3) organizations to develop and distribute materials about political candidates' positions on issues, in order to educate voters impartially and on a nonpartisan basis; meaning that it is free from party affiliation, bias, or designation. The IRS states that 501(c)(3) organizations may conduct any range of activities to promote voter participation and educate voters so long as it is nonpartisan. But, 501(c)(3) organizations are explicitly prohibited from supporting or opposing candidates for public office.

Some of the activities 501(c)(3) nonprofits *MAY* perform: Conduct or promote voter registration; educate voters on the voting process; distribute nonpartisan sample ballots, candidate questionnaires, and **voter guides**; organize "get-out-the-vote" activities; encourage and help people to vote; educate the candidates on issues important to their organization; and continue to do issue advocacy during an election.

So, first and foremost: **Church Voter Guides** does **NOT** endorse or oppose any candidates for public office or any political party.

Second, all of our staff and volunteers are required to act in a nonpartisan manner when working for or representing the organization and the creation of the Voter Guide.

Third, we do not edit, revise, or editorialize candidate responses to our Questionnaire. We do not even correct typos. **Candidate answers are published verbatim**, ensuring that their responses accurately represent their positions and perspectives on these issues. We then simply share this information through the Voter Guide, and you decide whom you believe to be the best candidate.

To be fair and impartial, we reached out by email, text, and phone when determined necessary, to all registered candidates running for All Democrat Candidates throughout Bradley County for their 2026 elections, inviting them to answer our questionnaire. Candidate information is presented in alphabetical order by **last name**. If a Candidate did not respond at all, or did not choose to participate, or did not choose to respond to certain answers in the questionnaire, then it is noted where applicable. If there were not enough candidates running, then we did not produce a Voter Guide for that seat.

3) Moral Values: Should government laws, ordinances, regulations, etc. follow the moral principles of the Ten Commandments? Why, or why not?

The Ten commandments are the base on which morals and conduct should begin: loving God and our neighbors. All the laws should take that into consideration.

4) Budget: What would be your top three spending, savings, and economic development priorities?

Property taxes, business development in my district, employment, transportation, sidewalks

5) COVID Recovery: Has the COVID situation created problems that the Commission can mitigate, specifically regarding businesses, schools, healthcare systems, and other vital services?

Yes, we are still dealing with low employment. With my knowledge in the community, I would like to help develop programs to train people for new positions.

6) Protecting Life: What legal means, if any, would you support, to protect the most vulnerable in our county, including the lives of the unborn, the trafficked, the poor and homeless, and the elderly?

Having worked with the most vulnerable of our county, I have first hand knowledge of the needs of these areas. It would be excellent to be more involved in being part of law making for the protection of many.

7) Business/Jobs: How should the commission handle development of housing, zoning and infrastructure in Bradley County?

My district could use more help with developing more income based housing to help families with lower wages.

8) Homelessness/Vagrancy: How can the Commission address any increase in the homeless/vagrant population in our county in ways that best serve all Bradley county residents?

First it would be important for the commission to accept that the increase in rentals while people are making less money creates a cycle of homelessness. Most of us Americans live paycheck to paycheck. We would be homeless in a couple of months if we didn't have a job. The cost of gas and the basic cart makes families have to chose between rent, gas to keep a job, and food on the table. It is naive to think that homelessness is simple. We need to address multiple issues to keep our district financially healthy.

9) Constitutional Liberties: As the County Commissioner, what measures will you champion to protect the individual Constitutional liberties of all Bradley County residents, such as freedom of speech, peaceable assembly and exercise of religion?

I will meet up with people to make sure that their voices are heard at a County level.
